Mrs. Mary Greene Wilson,
Douglasville, Tex.

Dear Cousin Mary:

I am just in receipt of a notice from the Lang Floral and Nursery Company, Dallas, Texas, stating that they had delivered the flowers to Anne. The delivery of the flowers were delayed as it went to my friend Mr. J. H. Pitts who I thought was with the Fishburne Motor Company of Dallas, but had recently moved to Austin. It had to take the rounds and get back to Dallas.

Jessie and Evelyn have been in Chicago visiting for the past two weeks, and I suppose Jessie called on your niece while there. We are expecting them home tonight on the Dixie Flyer.

With my usual kind regards and love to all the family, I remain

Yours most sincerely,

J.C. Collier.
